

Neal Parent Photo Workshop
Amsterdam, the Netherlands & Bruges, Belgium
April 21 - 29, 2020

Canals, windmills, tulips, wooden shoes - all the classic images of the Netherlands. It's all there, but there's much more to this small but historic and lovely corner of northern Europe. In Amsterdam we'll have a chance to photograph the historic city, with its charming narrow-fronted houses and flower-edged canals. We'll visit Lisse, home of the Keukenhof gardens, and the fields where tulips stretch out as far as the eye can see. We'll stay in historic Haarlem and charming Delft (Amsterdam in miniature, it's called) and we'll see windmills and cheese markets along the way. And we will make a day trip to Bruges in Belgium, another city famous for its photogenic qualities.
